

CASINO PARTY

Turn colon cancer prevention into a party! Make the best of it and plan a Casino-themed prep party with friends! Priority one: select a poker game. Will your friends want to play Texas Hold 'Em? Blackjack? Craps? Make sure to have multiple games available. Next, stop by a party supply store (or the dollar store!) to find some casino-themed decorations, packs of playing cards, poker chips, dice, etc.. Lastly, be sure to provide colonoscopy-approved snacks and make sure your friends bring their colonoscopy prep.
